in this comprehensive and accessible book dean krouk examines the young imperialist adventurer turned hero of the anti nazi resistance norwegian journalist poet and playwright nordahl grieg this volume offers a first rate analysis of the interwar period s political and cultural agendas in scandinavia and europe leading to the second world war by examining the rise of fascism communism and antifascism krouk s presentation of grieg s unexpected ideological tensions will be thought provoking for many readers in the united states and elsewhere

how have the dramatic events of the second world war been viewed in the nordic countries in this book leading nordic historians analyse post war memory and historiography they explore the relationship between scholarly and public understandings of the war how have national interpretations been shaped by official security policy doctrines and in what way has the end of

the cold war affected the nordic narratives the authors not only present the overarching themes that set the nordic experience of the second world war apart from other european narratives but also describe the distinctive post war characteristics of denmark norway finland iceland and sweden key concepts such as national identity memory culture and the moral turn are placed in their nordic context bringing new nuance to the post war history of europe this is the first work to focus on nordic narratives of the war and is valuable reading for students academics and all who have an interest in the historiography of the second world war or modern european history

between 1940 and 1945 britain s special operations executive soe carried out sabotage and organised resistance across occupied europe over 5 years soe sent over 500 agents into norway to carry out a range of operations from sabotage and assassination to attempts to organise an underground guerrilla army this book is the first multi archival international academic analysis of soe s policy and operations in norway and the influences that shaped them challenging previous interpretations of the relationship between this organisation and both the norwegian authorities and the milorg resistance movement

this is the first comprehensive and comparative survey of resistance to national socialism and fascism in europe the handbook presents the foundations forms and conflicts of resistance relates it to post war developments in europe and analyses its reception after 1945 it is structured geographically dealing with resistance first within the axis powers then in the occupied territories and finally with resistance from emigration and exile the accounts are complemented with maps and important documents relating to the resistance movements

after the german occupation of 1940 britain was forced to reassess its relationship with norway a country largely on the periphery of the main theatres of the second world war christopher mann examines british military policy towards norway concentrating on the commando raids deception planning and naval operations

this text provides an analysis of individual national historiographies on resistance movements in western europe in world war ii it discusses the debates they have engendered and their relationship to discussions of the occupation and postwar reconstruction

likvidasjon som statlig virkemiddel er et uvanlig fenomen i norsk historie i den kampen hjemmefronten førte mot den tyske okkupasjonsmakten og dens norske medløpere i årene 1940 1945 måtte imidlertid denne motstandsformen tas i bruk som et nødvendig ledd i kampen mot angiveriet gikk hjemmefronten dermed over grensen nei har vært deltakernes eget svar

på spørsmålet som stilles i tittelen det har også vært de toneangivende juristers svar med støtte fra folkeretten det offisielle tallet på likviderte har i hele etterkrigstiden vært angitt til 65 samtidig har det versert udokumenterte påstander om tall helt opp mot 300 hva sier kildene med denne boken legger arnfinn moland for første gang frem omfattende faghistorisk arbeid om temaet gjennom sitt grundige forskningsarbeid kan han gi svaret på hvor mange og hvilke likvidasjoner som kan bekreftes

a thorough examination of one of history s revolutionary campaigns after hitler conquered poland and while still fine tuning his plans against france the british began to exert control of the coastline of neutral norway an action that threatened to cut off germany s iron ore conduit to sweden and outflank from the start its hegemony on the continent the air airborne sea amphibious infantry armor and commando aspects of this brief but violent campaign are here covered in meticulous detail henrik lunde a native norwegian and former u s special operations colonel has written perhaps the most objective account to date of a campaign in which 20th century military innovation found its first fertile playing field

denne boken tar for seg nye synspunkter på norsk krigshistorie bokens siktemål er å åpne for nye tolkninger og ny forståelse av krigen og tiden som fulgte en nasjonal konsensus har i sterk grad preget krigshistorien i perioden etter 1945 i boken fremlegges andre sider ved norsk krigshistorie forhold som tidligere har blitt fortrent fortiet eller tabuisert blir gjenstand for forskning og debatt fra ulike ståsteder tar bokens forfattere opp temaer fra norsk okkupasjonshistorie og noen av okkupasjonens konsekvenser i etterkrigstiden med noter
