this convenient description of civil procedure in the federal and state courts of the United States will be greatly welcomed by lawyers and legal scholars everywhere without going into deep analysis the book covers every important feature of these legal systems drawing on the expertise and experience of two well-versed practitioners as well as the rules, policies, normative principles and future trends the authors cite recent cases affecting procedure areas covered include sources, judicial organization, exercise of the legal profession, jurisdiction, due process standards, rules of evidence, enforcement of judgments, arbitration and much more

from divorce proceedings to personal injury disputes to lawsuits over busing affirmative action and labor relations most conflicts in american society may eventually find their way into a courtroom such civil conflicts which do not involve violations of the criminal code encompass both actions between private parties and public controversies this clear and direct book by two distinguished professors of law describes and analyzes civil litigation in the united states geoffrey c hazard jr and michele taruffo discuss both specific details and broader themes of american civil litigation explaining without legalese jury trial the adversary system the power of courts to make law as well as to declare it and the role of civil justice in government and in the resolution of controversial social issues hazard and taruffo examine the stages of civil procedure including the lawyers role in preparing and presenting cases the pretrial pleading and discovery trial and appeal process and procedural variations they explore the historical evolution of common law and procedure and compare american civil procedure with that in other modern societies in europe latin america and japan they conclude by discussing the economic political and moral constraints on litigation possible innovations to the process and the political significance of public access to civil justice

civil justice in the united states is neither civil nor just instead it embodies a maxim that the american legal system is a paragon of legal process which assures its citizens a fair and equal treatment under the law long have critics recognized the system s failings while offering abundant criticism but few solutions this book provides a comparative critical introduction to civil justice systems in the united states germany and korea it shows the shortcomings of the american system and compares them with german and korean successes in implementing the rule of law the author argues that these shortcomings could easily be fixed if the american legal systems were open to seeing how other legal systems civil justice processes handle cases more efficiently and fairly far from being a treatise for specialists this book is an introductory text for civil justice in the three aforementioned legal systems

in creating the civil procedure anthology the authors selected materials that combined together are designed to do several things there are some background overview materials particularly on the nature of the adversary system and the development of the federal rules to help students gain some perspective on civil procedure as a whole in particular subject matter areas the authors selected materials designed to help students begin the process of synthesizing the principles derived from the cases on which they spend most of their time but that may also challenge them to question received traditions rather than accepting them unthinkingly in areas that students typically find difficult the authors include articles that explore the basic problems without oversimplifying them in areas to which courses often give attenuated treatment such as alternative dispute resolution the authors have included a wide selection of comparatively short excerpts to give students as broad a view as possible professors and adjunct professors may request complimentary examination

copies of lexisnexis law school publications to consider for class adoption or recommendation please identify the book s you wish to receive provide your institutional contact information and submit your request here

designed to introduce american civil litigation and process to a wide audience foreign llm students beginning american law students undergraduates interested in law and foreign lawyers judges and law professors this succinct new paperback litigating in america civil procedure in context explains the institutional bases and legal meaning of our procedural system and captures american civil process at a time of change it presents american civil procedure from several vantage points the procedural doctrine that has evolved over time the practical implications of that doctrine the social context in which the doctrine grew is used and abused and the global context of how other systems may have made different choices it is an excellent supplement to any casebook

derived from the renowned multi volume international encyclopaedia of laws this convenient volume provides comprehensive analysis of the legislation and rules that determine civil procedure and practice in the united states lawyers who handle transnational matters will appreciate the book s clear explanation of distinct terminology and application of rules the structure follows the classical chapters of a handbook on civil procedure beginning with the judicial organization of the courts jurisdiction issues a discussion of the various actions and claims and then moving to a review of the proceedings as such these general chapters are followed by a discussion of the incidents during proceedings the legal aid and legal costs and the regulation of evidence there are chapters on seizure for security and enforcement of judgments and a final section on alternative dispute resolution facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance succinct scholarly and practical this book will prove a valuable time saving tool for business and legal professionals alike lawyers representing parties with interests in the united states will welcome this very useful guide and academics and researchers will appreciate its comparative value as a contribution to the study of civil procedure in the international context
